

In the **six seconds** it takes for you to read this sentence, **one person dies due to tobacco.**

World No Tobacco Day May 31st

This accounts for **one in 10 adult deaths.**

Tobacco use kills 6 million people each year, of which more than 600,000 are people exposed to secondhand smoke.

Unless we act, it will kill up to 8 million people by 2030.

Act today and sign the EWSNetwork pledge to quit smoking on May 31st, 2012.
