

Kid's Wellness Bursary

What is it?

EWSNetwork has created a bursary program, which allows an athlete [or a parent of an athlete] to apply to have **registration fees paid on their behalf** (to a maximum of \$300.00) for sport!

Who can apply?

The successful candidate is a child of, or nominated by, an EWSNetwork's corporate client's employee who has shown interest in participating in the sport of their choice. The child must be under 18.

Why do we need it?

1 in 3 Canadian families cannot afford to enroll their children in sport and recreation activities because of **financial barriers** (Ipsos Reid, 2009).
