

Workplace Wellness Committee Certification Program

“Turning wellness committee volunteers into onsite wellness champions.”

MODULE 1: Defining Workplace Wellness and Setting Objectives

- Workplace wellness fundamentals
- Overview of various wellness strategies
- Defining a healthy workplace
- Mission and vision statement support
- Setting objectives

MODULE 2: Creating a Healthy Culture

- Leadership support
- Creating a dynamic, efficient committee
- Thinking and speaking like a wellness champion

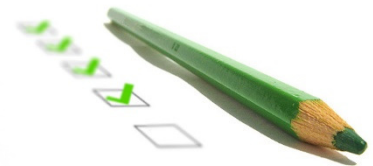

MODULE 3: Successful Implementation Strategies

- Which wellness program components make up your wellness program?
- Not the ABCs but the CVSs to drive employee engagement
 - Communication
 - Visibility
 - Supporting Programs
- Creating program depth

MODULE 4: Evaluation

- Establishing value – What to measure and how to report
- VOI vs ROI
- Strategic wellness plan
- Where do we go from here? Next steps.
