### It's Simple...

Commit to doing a few simple, healthy, and good-for-you activities, and earn points for your team!

During the challenge, each participant will submit daily point totals on the Team Challenge webpage.

### INDIVIDUAL SUBMISSIONS AND LEADER BOARD UPDATES

Each day, please visit the Team Challenge website. You will be asked to click on your Team Name and submit your total points. We are working on the honor system!

The Team Leaderboard will be updated once per week. The team with the most points, wins!

**Self-care activities include anything you do deliberately to care for your physical, mental, and emotional health.** Here are a few examples: Fit exercise into your day, learn something new, phone a friend you haven't spoken with in a while, or practice deep breathing.

Be sure to check out the Team Challenge Resource Centre for helpful tips, guides, and strategies to help you while completing this challenge!
